8th March, 2024

Dear Sir / Madam,

Ballybricken-Bohermore GAA Club are delighted to announce the hosting of a Golf Classic fundraising event on Friday May 3rd 2024 at Ballyneety Golf Club. The competition will be a Team of 3 Champagne scramble.

It's now 2 years since our Golf Classic fundraiser which proved to be a magnificent success and thoroughly enjoyable day for all involved.

We really appreciate the generous support your company has provided to our Club in the past and without which we would not have been able to complete the facilities we have in place today.

The funds raised from this event will enable the club to further enhance our facilities including expanding car parking capacity and the upgrading of the community walk lighting and track due to commence in the coming weeks. This will be of significant benefit to the extended community especially during the winter months.

We are offering businesses and Companies the opportunity to support the event and the unique opportunity of advertising on the Course Tee(s) along with extensive social Media advertising (Facebook, Twitter, Instagram, etc....).

The Tee Sponsorship cost is €100 for two front 9 and back 9 Tee adverts and advertising is tax allowable at your company marginal rate.

We are most grateful for the support of our sponsors in the past. We trust that you will be able to support us for "Our 2024 Golf Classic" and that you will be able to join us on the night. Should you require any further information, we will be happy to provide it.

Yours Sincerely,

Catherine Pratt
